Since there is already a scarcity of water in Tiptur Town, if the overtime work is suspended the people of the place will be put to a great inconvenience, and trouble To obviate the same immediate payment of an overtime allowance to the Senior and assistant mechanics appears to be very necessary

Submitted for orders

Augn 25/16 Pp 266-48 31) The question of the payment of overtime allowance to the Senior & Assistant mechanics attached to the Waterworks at Tiptur at Rs 8/- & Rs 6/- respectively has been under the consideration of Govt from March 16

Senior mechanic Rs 48 pm Asst mechanic Rs 32 pm

Govt is seen from the correspondence that no such allce is being granted in any Mfly to the officials attached to the waterworks Some further enquiries was called for from the Chief Engineer

for Investigation. Although several reminders were issued in the matter there has been no response.

33) In the meanwhile the D.C Inspectors reported that the President of Tipton Town M.L.C. has intimated that the Senior Assistant mechanics would suspend the overtime work if the allowance not paid before the 15th of this month (June 1948)

34) Such overtime allowance has been sanctioned in the case of the water supply establishment attached to the Malur waterworks, quite recently

34) As the question has been under correspondence for a long time and in view of the threatened suspension of work by the mechanics, it is necessary to sanction the overtime allowance in question as recommended by the Taluk Town M.L.C. of Tipton however, to be pointed out

Re the payment of overtime allowance to the Senior Machanic and Assistant Machanic of the Tiptur Town Water Works

---

Sir,

In enclosing herewith the letter No H C 38/46-47 dated 28th December 1946 received from the President, Town Municipal Council, Tiptur on the above subject, I have the honor to state that the Town Municipal Council of Tiptur have resolved in their meeting held on 27th December 1946 that M/s A Doraswamy Pillay, the Senior Machanic and A Sigamany Pillay, the Assistant Machanic of the Tiptur Water Works be paid an allowance of Rs 8/- and Rs 6/- respectively with effect from 1st January 1947, for the over time work they are turning out The President states in his letter enclosed, that it is inevitable that the plants should work for eleven hours per day to cope up with the effieient water supply of the town and as that involves more hours per day as prescribed in the Factories Act, the payment of allowance needs consideration With these considerations the Council have recommended for payment of the extra allowance to the Senior and the Assistant Machanic of the Water Works

I therefore request you kindly to obtain sanction of Government to the resolution of the Council in the matter

I have the honor to be,
sir,
Your most obedient servant,
